WHITFIELD

3t 2-1, 2, 18

Returning from a weekend meeting of the Brotherhood of Locomotive Firemen & Enginemen in Laurel, R. L. Deason, local lodge chairman said today a recent presidential commission report came under heavy fire.

The railroad commission was established by former President Eisenhower but its report was only made public in February, Deason said.

"Its recommendations, if accepted by the rail unions, would put 8000 firemen's helpers out of jobs and would wipe out 40 years of collective bargaining on the railroads," he said.

He said recommendations included a 52 hour week at 15% less pay and a national hiring pool which meant "if you live in Pascagoula and didn't accept a job offered in New York you'd lose your seniority."

Deason said the commission accepted no part of union witnesses' testimony, but heard people from other countries on railway problems, including Russians. He charged binding arbitration was recommended "in line with Mr. Khrushchev's way of life."

er in assembling the parts. Lemon said.

If laid end to end, the piles and beams in the framework would reach more than 42

those not previously admitted to the University in the program they seek to enter," he said. "Former students may apply for readmission at any time through the first of registration."

All undergraduates planning to enter law or graduate school, including those now enrolled at the University, must file application for admission, Ellis added.

Registration for both terms of the 1962 summer session will be held on Friday, June 8. Fees and room rent for the second term will not be due until July 10, it was noted.

Second-term registration will be held July 13, for those students who enter for the second term only.

First-term classes will begin on Saturday, June 9. Final exams will be on July 11-12. Second-term classes begin on July 14. Term exams will be on Aug. 16-17.

Summer commencement exercises are scheduled for Aug. 19.

Smith held this position when the Advertiser purchased the Chronicle-Star when it burned in 1921 and edited both publications until 1934. He resigned to accept the postmaster's job in Pascagoula. He still serves in this position.

Stewart still lives in the same house at 516 Arthur Street in Moss Point where he began his married life 52 years ago. He dedicated the Moss Point City Hall in 1957.

elapsed time for each opening was five minutes.

Daily traffic count is 12,520 vehicles.

It is estimated the new bridge will open only ten to 12 times a year.

MRS. ELEY BISHOP OF Pascagoula is new president of Lake Elementary School PTA succeeding Mrs. Spurgeon Lachaussee. She and other officers were installed last week by Mrs. Mac Bowman at the last meeting of the year. (Chronicle photo)

J. R. Sproles dies on Sunday

Services will be held today at Jackson County Mortuary chapel at 8:30 p.m. for J. R. Sproles who died today en route to Singing River Hospital. He was a native of Silver City, born Feb. 28, 1902.

A resident of Pascagoula at 937 E Street he was employed as comptroller with the state highway department. He had been in ill health for the past two years.

He was a member of Calvary Baptist Church, Elks Lodge 1120 at Pascagoula, the Pascagoula Masonic order lodge 419 and the Mississippi Police Officers Association.

The Rev. Byron Mathis, pastor of the church to which he belonged, will officiate at the services today.

Interment will be at Canton Cemetery at Canton Tuesday where Masonic graveside services will be held.

Survivors include a brother D. B. Sproles of Baton Rouge, three stepdaughters Mrs. Carl Rosenthal of Sunflower, Mrs. Dave Rosenthal and Mrs. Mildred Irvine of Indianola, and a stepson Theo Fried of Indianola.
